Bay Area's Bike to Work Day turns 21 on May 14

Register to bike to work at youcanbikehere.com

Oakland, CA – How did you celebrate turning 21? Visions of parties, toasts and more coming to mind? In the Bay Area, Bike to Work Day will celebrate its 21st birthday on May 14 with a nine-county wide party on wheels. Now that's what we call a celebration! On Bike to Work Day, tens of thousands of new and seasoned riders will commute to work and school using pedal power. Just look at the numbers from 2014:

- More than 75,000 cyclists biked to work
- Almost 1,400 teams – over 9,600 riders – participated in the Team & Company Bike Challenge, collectively riding almost 560,000 miles over the course of one month!
- Over 1,900 volunteers helped make Bike to Work Day a success
- Almost 400 energizer stations across the nine counties supported the riders with snacks, information and much more!

Believe it or not, the majority of automobile trips each day are less than two miles long – barely worth the time and fuel it takes to pull into traffic! Given the ever increasing congestion in the Bay Area, bicycling is an easy, efficient and healthy way to get to work, run errands and much more.

Held during National Bike Month each May, Bike to Work Day is one of the region's premier bicycling events. Presented by the Metropolitan Transportation Commission (MTC), 511 and Kaiser Permanente, Bike to Work Day encourages Bay Area residents to try commuting on two wheels for the first time and celebrates those who bike to work regularly.

Bike to Work Day 2015 is presented by MTC (the transportation planning, financing and coordinating agency for the nine-county San Francisco Bay Area), 511 (the region's traveler information system) and Kaiser Permanente. Additional regional support is provided by the Bay Area Air Quality Management District (BAAQMD), the Bay Area Rapid Transit (BART) system, KPXC, Clear Channel Outdoor, Canary Foundation Challenge, Bay Area Bike Share, BIL and CIB Bar, as well as many sponsors at the local level. Prizes for BCDY and BTWD are donated by Choptele, Mike's Bikes, Public Bikes and MonkeysElectric. The event is made possible through the cooperation of thousands of volunteers, MTC, county congestion management agencies, local jurisdictions, local bicycling coalitions and the Bay Area Bicycle Coalition.

CREATE YOUR OWN SPONSORSHIP LEVEL

Have specific goals you want to meet for your sponsorship? We can work with you to tailor a sponsorship package to fit your needs and reach those goals. For example, you may want to focus on a specific aspect of BTWD, such as Team Bike Challenge or women cyclists. We can look at posting and cross-posting on youcanbikethere.com, displaying video content, and other engagement strategies through press releases, Facebook, or Twitter.

If you'd like to create your own sponsorship level, please contact Lyndsey Marks at Lyndsey@bikesiliconvalley.org or 408-772-4224 and we will work together to create the sponsorship package that's right for you/your company. Thank you for supporting Bike to Work Day 2017!
